

MAHLATSE CLAYTON MAREDI

Johannesburg, Braamfontein | 075 283 0167 | mahlatseclayton1@gmail.com

LinkedIn: www.linkedin.com | GitHub: www.github.com

CAREER OBJECTIVE

A motivated and detail-oriented Computer Science student with a robust foundation in software development, analytical thinking, and problem-solving. Proven ability to lead and mentor others, demonstrated through university roles. Passionate about leveraging technology to create impactful solutions and eager to contribute to innovative software development projects.

EXPERIENCE

Mentor – Faculty of Best Advisory (FBA)

Johannesburg, South Africa | Feb 2025 – Nov 2025

- Guide first-year students in their academic and social transition to university through structured mentorship and resource connections.
- Provide ongoing academic and emotional support to enhance student retention and success.

Intermediate First-Year Mentor – Wits University FYE Programme

Johannesburg, South Africa | Feb 2025 – Present

- Guide first-year students in their academic and social transition to university through structured mentorship and resource connections.
- Provide ongoing academic and emotional support to enhance student retention and success.

Volunteer – Fak’ugesi Festival

Johannesburg, South Africa | Oct 2025

- Supported event coordination and logistics for Africa’s leading digital innovation festival, engaging with tech communities and stakeholders.

Volunteer – AMLD Africa Conference Wits

University | 26–29 Jan 2025

- Assisted in event operations and attendee support for a major international tech conference focused on AI and data science.

Volunteer – Rise Against Hunger

Wits University | 20–24 Jan 2025

- Contributed to community meal-packing initiatives, developing teamwork, coordination, and logistical skills in a fast-paced humanitarian effort.

EDUCATION

BSc in Computer Science

University of the Witwatersrand | 2024 – Present

- Currently in third year.
- Relevant Coursework: Data Structures, Algorithms, Object-Oriented Programming, Databases.

National Senior Certificate (NSC)

Matriculated 2023 | Overall Average: 81%

PROJECTS

MentorMenteeConnect – University Mentorship Platform

Flutter, Firebase, Firestore, Authentication

- Developed a full-stack mobile application to connect mentors and mentees within a university ecosystem
- Implemented secure user authentication with role-based access control (mentor/mentee)
- Designed real-time chat and mentorship request functionality using Firebase services
- Structured and optimized Firestore database for scalable mentor-mentee relationship management
- Focused on intuitive UI/UX design to enhance user onboarding and engagement

MoodleTrack – Academic Performance Tracking System

Flutter / Web, Firebase / SQL

- Built a student performance tracking application to monitor coursework, grades, and deadlines
- Implemented personalized dashboards displaying academic progress and analytics
- Designed and normalized database schema for efficient course and assessment management
- Integrated authentication, input validation, and secure data handling
- Optimized data retrieval to ensure responsive user experience

Woofer – Android Social Networking Application

Java, PHP, MySQL, OkHttp, REST API

- Developed a full-stack social media platform with messaging, image sharing, and status posting
- Built RESTful PHP APIs connected to a MySQL relational database
- Implemented OTP-based email verification and secure authentication mechanisms
- Designed chat interface using RecyclerView with image handling support
- Applied input validation and secure password management practices

AWARDS & ACHIEVEMENTS

- **Best Science Student – Faculty of Best Advisory (FBA) | 2025**

SKILLS

Technical Skills

- **Programming Languages:** Java, C++, C#, Python, PHP, JavaScript
- **Mobile App Development:** Flutter, Android (Java/Kotlin)
- **Web Development:** HTML, CSS, SQL
- **Cloud & Infrastructure:** (e.g Google Cloud, Azure, Firebase)
- **Software & Tools:** Git, VS Code, Android Studio, Microsoft Office Suite

Professional & Core Skills

- Event Coordination & Logistics
- Leadership & Team Collaboration
- Problem-Solving & Critical Thinking
- Adaptability & Time Management
- Communication & Interpersonal Skills
- Mentorship & Peer Support

Languages

- English (Fluent)
- isiZulu (Fluent)
- Sepedi (Conversational)
- Tsonga (Conversational)
- Swati (Basic)
